Welcome to Starstruck All Stars!

Welcome

We are so excited that you have chosen to be a part of all the great things that are happening at Starstruck! We believe that we can provide the activity your child loves and looks forward to participating in every week!

At Starstruck our staff is deeply invested in growing your child as an athlete, but also as an individual. Our passion is to build the personal skills and confidence in our kids that will lead to confident, successful adults.

Our Gym offers a variety of levels of Cheer and we want you to choose the one that is the best fit for you. When possible we use the same uniform for 2 seasons. It's important to us that uniforms, music and choreography are age appropriate.

We are so thankful for all of our current athletes and their families, and we are excited to begin another season with you. If you are new to Starstruck All Stars, we look forward to meeting you and providing a truly wonderful competitive cheerleading home.

I pride myself as being approachable and I welcome any questions or concerns you may have.

What's Being On A Novice Cheer Team Like?:

Novice Cheer is great for athletes who are usually beginners and are somewhat new to Cheer. It's a great level to learn the basics. This level is similar to Rec but these teams will go to competition. This level accommodates a wide range of skill levels and experience and is a great introduction to Cheer who also want to experience the Competition environment.

This is for athletes who are looking to start on the path to Competitive Cheer with a more relaxed approach that allows athletes to develop their skills at a pace that's more comfortable for them.

Teams prepare to perform at our 2 shows as well as 1-2 additional performance opportunities AND 2 local Competitions. . Many athletes may eventually continue onto the Prep level.

Novice Cheer season runs from September-May (9 months).

There is emphasis on teamwork, the fundamentals of cheer, beginner tumbling, physical fitness, flexibility, proper nutrition and positive attitudes.

For us to reach our goals we emphasize building a foundation on safety, technique, and repetition. These basics help develop a sense of trust between athletes and reinforces the importance of safety as they train to acquire new skills.

We strive to develop the habits of working hard, developing physical strength, mental focus, self-discipline, and a desire to gain and master new skills.

We embrace the fun challenges together and encourage each team member to keep working to realize their potential.

*** Commitment to the Novice level team must be made by September 1st. We will begin choreography at the beginning of September to prepare for competition. ***

Athlete Conduct

ATHLETE CONDUCT, SOCIAL MEDIA , BRAND & LOGO POLICIES

Starstruck athletes are not allowed to participate in activities at other All Star Cheerleading Gyms.

SOCIAL MEDIA:

At Starstruck we take pride in our gym and aim to hold ourselves and our athletes to a high standard and feel it's very important to represent yourself well on social media. We approach social media seriously and monitor how the Starstruck name, brand, logo, and likeness are used. We maintain the right to curate and request removal of items from social media sites and Apps that are deemed to be unsafe, inappropriate or in conflict with Starstruck's conduct standards

Anything that is aimed to bully, embarrass, or degrade any individual or group of individuals, including the use of profanity, and/or content that is overly provocative is unacceptable. Please remember anything you post online affects not only you, but also your teammates and Starstruck as a whole.

We want our athletes and families to wear Starstruck attire with pride in public and in social media posts to show support and to promote a positive public image. **Avoid posting any negative comments on social media.** When experiencing strong feelings there is a right way and a wrong way to resolve them. Generally speaking, taking those feelings to social media in the heat of the moment is not the solution and often creates more problems than it solves. If any issues should arise please schedule a meeting with Jill to discuss.

We request that Athletes at Starstruck avoid use of any accounts linked to an anonymous platform. In other words, don't use "burner accounts" to interact with Starstruck or Starstruck athlete social media.

Should Starstruck request removal of, including but not limited to, photos, video, status, comment, etc removal must take place IMMEDIATELY. Repeated violations of conduct standards may be grounds for dismissal from Starstruck without refund. We greatly appreciate your cooperation in supporting our efforts to provide a level of reasonable supervision and decorum.

Fundraising

FUNDRAISING

All Team Members are strongly encouraged to participate in fund raising activities. You can use your fundraising dollars to help pay for uniforms, tuition, post season competition, travel, apparel etc. It's a fun way to show off our teamwork while earning money to reach our cheerleading goals.

Each of the fundraises we utilize have been successful. We've been able to identify a variety of fundraising products from different vendors that resonate with people so we're not just offering one thing all year long. Many Starstruck students have repeat buyers they visit every year who continue to support our fundraising efforts.

Historically athletes who have participated in multiple fundraisers were able to fund a significant portion of their cheerleading expenses, particularly for post season competition. I've also learned parents are much less stressed and tend to enjoy their season a lot more.

We have a number of current fundraisers but are always looking for new opportunities and volunteer leadership.

Contact Jill if interested or have questions.
